Commissioners' Report

In compliance with the Public Laws of New Hampshire we, the commissioners of Coos County herewith present our annual report for the year ending Dec. 31, 1934, together with the reports of the Treasurer, Clerk of Court, Solicitor, Sheriff, Superintendent of County Farm, House of Correction and Jail, Physician, Auditors, Chaplain and Priest.

Time has again closed like scissor blades clipping off another year, and we now stand at the dawn of a new year with renewed ambitions, brighter hopes, and higher aspirations to render to the public a greater service than ever before.

On January 1, 1934 Mr. and Mrs. Owen F. Cole assumed the duties of superintendent and matron and during the year just past have made many new acquaintances and warm friends and endeared themselves in the hearts of all employees, by the courteous, efficient, untiring service rendered to those under their supervision and especially to those who have come to the institution seeking comfort, health and happiness.

The management has made marked improvement during the year along the lines of farm improvement and especially in the fine herd of cattle on the farm. There has been placed at the head of the herd a son of Governor Mercedes and Holliock Westmorland Pride who during the year finished one of the highest records in milk and butter production that has ever been made in New York State.

There has been approximately two thousand cords of four-foot wood cut by men who were unable to procure work from other sources, thereby supporting their own families rather than being placed upon the relief rolls, and has enabled us to furnish to the Relief Administration all the fuel required in this section, and has assured us of another year's supply for our own use at the farm, and for those on relief.

We take this opportunity to express our gratitude to all State, County, and Town officials and especially to the Superintendent and Matron, the Staff of Nurses, Physicians, Priest, and Chaplain, to all employees, and to others who have in any way contributed by their cooperation in the administration of County affairs.

Respectfully submitted,

CLARK E. SWAIL,
A. N. McCREADY,
JUDSON A. POTTER,

County Commissioners.

Report of Superintendent of County Farm

To the Honorable Board of Commissioners of Coos County:

I herewith submit my report of the Receipts and Disbursements of the Farm and Hospital for the year ending December 31st 1934.

The Farm supplied the tables with all vegetables during the summer and many hundreds of quarts of string beans, asparagus, pumpkin and pickles were put up for winter use.

The Hospital was well patronized by private patients which helped to reduce running cost of institution.

We wish to express our thanks for your support and co-operation during the year and especially to Dr. Clark E. Swail we owe a debt of gratitude for the help given us in the discharge of our duties.

We wish to thank all of the doctors for their ever ready help.

To Rev. H. H. Albee and the Rev. Father J. E. Vachon for their kind assistance, to the Mohawk Ice Cream Co., the Halcyon Theatre, the Womans Christian Temperance Union, the Colebrook Rotary Club and all others for their many acts of kindness.

We also appreciate the loyalty and co-operation of all the staff.

Respectfully submitted,

OWEN F. COLE, Superintendent
EUGENIA L. COLE, Matron

Solicitor's Report

January 23, 1935

To the Honorable Board of County Commissioners for the County of Coos:

Gentlemen:

I beg to submit herewith my report as Solicitor for Coos County for the year ending December 31, 1934. The following is a record of criminal cases handled by my office in the Superior Court during that period.

April Term, 1934

1. State vs. Marco Liotonne. Burglary. Plead guilty and was sentenced to States Prison at Concord at hard labor for not less than seven nor more than twelve years, and was committed.

2. State vs. Lucien Demars. Burglary. Plead guilty and was sentenced to States Prison at hard labor for not less than two years nor more than four years and was committed.

3. State vs. Auguste Seguin. Breaking, entering and larceny. Plead guilty and was sentenced to States Prison at hard labor for not less than one year and one day nor more than two years and was committed.

4. State vs. Luke A. Seguin. Breaking, entering and larceny. Plead guilty and was sentenced to the States Prison at hard labor for not less than two years nor more than four years and was committed.

5. State vs. Bruno Morel. Larceny of an automobile. Plead guilty and was sentenced to States Prison at hard labor for not less than two years nor more than four years.

6. State vs. William King. Obtaining goods under false pretenses. Plead guilty and was sentenced to one year in the House of Correction, but his sentence was suspended due to the time that he already served while waiting for the Grand Jury.

7. State vs. Clarence Bean. Larceny of an automobile. Plead guilty. His case was continued for sentence with the understanding that he would return to his parents in Vermont and he was given his freedom across the line in Canaan, Vermont.

8. State vs. Joseph Legassie. Statutory Rape. Plead guilty and was sentenced to States Prison at hard labor for not less than three nor more than five years and was committed.

9. State vs. Amanda Lachance. Larceny. Plead guilty and was sentenced to the House of Correction for nine months and was committed.

10. State vs. Aurele Martineau. Larceny by bailee. Plead guilty and was sentenced to the House of Correction for one year and was committed.

11. State vs. James Bogowich. Larceny. Plead guilty and was discharged by a Jury after trial.

12. State vs. Thomas Pelchat. Violation of prohibitory law. Plead not guilty and case was nol prossed on instructions from the Attorney General.

13. State vs. Leaman Copp. Larceny by a bailee. Case placed on file at the request of the complainant after restitution was made.

14. State vs. Stanley Smiggle. Larceny of an automobile. Respondent still at large and case continued without printing, as he has been apprehended in Michigan and has been sentenced to their States Prison for the term of seven years for a similar offense.

15. State vs. Claude Roby. Violation of Game Laws. Case nol prossed by direction of the Court.

16. State vs. Isidore Paquette. Aggravated Assault. Plead guilty and was fined one hundred dollars (\$100.00) and costs of twelve dollars and ninety-four cents (\$12.94). Both fine and costs were paid.

17. State vs. Maude Roberts. Assault and Battery. Case nol prossed by direction of the Court.

18. State vs. Francis Gillis. Three complaints for aggravated assault. Plead guilty. Was sentenced to one year in the House of Correction and ordered to make restitution to Police Officer L'Heureux for uniform and doctor's bills on one count, and was committed. The other two counts were to be filed when respondent made restitution, and he has made restitution.

19. State vs. Neal McGinley. Violation of Game Laws. Plead not guilty and was discharged after trial by Jury.

20. State vs. Nettie Burns. Desertion. Case nol prossed by order of the Court due to length of time respondent had already served in waiting for the Grand Jury.

October Term, 1934

1. State vs. John A. Labrie. Eleven counts for embezzlement by a Public Officer. Plead guilty and was sentenced to States Prison at hard labor on each of two counts for one year and eleven months and fined five hundred dollars (\$500.00), but his fine was to be suspended. Sentence not to run concurrently, and respondent to serve all of the three years and ten months. This sentence was the result of the recommendation of the Solicitor that the respondent be sentenced to States Prison for not less than five years nor more than seven years, but due to the fact that not more than two years could be given on any one count, the equivalent was given on two counts just as if the respondent had been sentenced for not less than five years nor more than seven years, and the other nine counts were continued for sentence.

2. State vs. Howard Blake. Statutory Rape. Plead guilty and was sentenced to States Prison at hard labor for not less than five nor more than seven years and was committed.

3. State vs. Alpha Pelchat. Burglary. Sentenced to three months more in the House of Correction and was committed. The time he had already served in the House of Correction waiting for the Grand Jury was taken into consideration in the further sentence given him.

4. State vs. John F. Whitlock. Three counts for embezzlement by an Agent. Plead guilty and was sentenced to the County Jail for six months and was committed. The other two counts were continued for sentence.

5. State vs. Arthur L. Massey. Reckless Driving. Plead guilty and was fined the sum of \$25.00 and costs of \$13.00. The fine was suspended on payment of the cost.

6. State vs. Mrs. John Dion. Violation of Liquor Laws. Case nol prossed on instructions from the Attorney General.

7. State vs. William F. Costello. Violation of Motor Vehicle Laws. Plead not guilty and was discharged after a trial by Jury.

8. State vs. David Boiselle. Violation of prohibitory laws. Case nol prossed on instructions from the Attorney General.

9. State vs. F. E. Greator. Violation of Motor Vehicle Laws. Plead guilty and paid a fine of \$50.00 and costs, amounting to \$64.09, both of which were paid.

During the past year and especially the last six months, there has been a sharp dropping off of all kinds of criminal complaints and

arrests, for which I have no explanation, but I know that it has certainly made a great saving to the County, so far as the expenses of my department were concerned.

After the special session of the Legislature repealed the old prohibitory laws, I was instructed by Attorney General Francis W. Johnston to not press all cases against respondents that were then on my docket for violation of that law, and that has been done.

On September 16, 1934, I instituted suit on behalf of the County against the Fidelity and Deposit Company of Maryland, the bonding company who acted as surety for the County Treasurer, and that suit is still on the docket in our Superior Court, for reason that Attorney Hinkley, who is attorney for the defendant moved to continue for reason that he had information that all closed banks were to be liquidated with Federal funds, and the Court granted him a continuance.

There have been no other suits instituted on behalf of the County of a civil nature, nor have there been any suits instituted against the County during the past year, and I know of no outstanding claims that are at present pending against the County.

As usual, I wish to commend the very valuable services of Sheriff Colbath and all of his deputies for their valued assistance and also that of Chief of Police Walter Hynes of Berlin and his officers.

Miss Anna Russell, Agent of the Coos County Branch of the New Hampshire Children's Aid and Protective Society has continued to render very valuable aid to the County in all criminal cases where minor children were involved, and she has given freely of her time without expense to the County.

Respectfully submitted,

ROBERT RICH,

Solicitor

Chaplains' Report

To the Commissioners of Coos County:

Gentlemen:

Upon my first visit to the Coos County Institution, I was much impressed by that truly American spirit, fair-mindedness, and that eagerness of the authorities that each and every inmate might be well attended to physically and spiritually.

Whenever anyone calls for the help of religion, the priest is called at once. Even more, if a patient is unaware of his approaching death, the chaplain is notified in time to prepare him for the eternal voyage. For that, I must thank cordially the doctors, Mr. and Mrs. Owen Cole and all the nurses for their unrestricted zeal in the fulfillment of that part of their duty.

I also take this opportunity to give thanks to Mr. and Mrs. Cole for their kind co-operation in sending the few homeless children there to St. Albert's School.

Respectfully submitted,

J. E. VACHON, Catholic Chaplain.

To the Commissioners of Coos County Almshouse and Jail:

The customary services, forty-eight in number, have been carried on with regularity during the past year in the almshouse and jail, corridor and hospital calls have been numerous, and other ministry has been rendered as needs have been made known. The Word declares, "Blessed be God, even the Father of our Lord Jesus Christ, the Father of mercies, and the God of all comfort; who comforteth us in all our tribulation, that we may be able to comfort them, which are in any trouble, by the comfort wherewith we ourselves are comforted of God". May this expression be exemplified in all service rendered.

The assistance of visiting Christian workers from time to time, and the "Day of Cheer" at the Christmas season forwarded by the Colebrook W.C.T.U. have been deeply appreciated.

Respectfully submitted,

H. H. ALBEE, Chaplain.

Physician's Report

To the Commissioners of Coos County:

Gentlemen:

The following is a list of deaths occurring at the Coos County Almshouse during the year of 1934:

Name	Age	Date 1934
Clovis Barbin	79	April 3
Fortunate Hamel	61	Oct. 16
Emma Hicks	82	Nov. 6
Elmer Aldrich	66	Dec. 16

I wish to say that caring for the sick or injured at the Almshouse has been made comparatively easy by the splendid assistance and co-operation that I have received from you and your new Superintendent, Mr. Owen F. Cole, and Matron, Mrs. Owen F. Cole.

The County hospital is a most valuable asset to all inmates who are ill or injured and also to all the people of the North Country.

It is full to capacity most of the time. Management has been excellent. I wish to thank the nurses and consulting doctors who are always ready to assist.

Respectfully submitted,

J. M. BLODGETT, M. D.

West Stewartstown, February, 1935.
